Edgewater 370 CC

This center console offers a rare blend of luxury and exceptional performance. Built using Single-Piece Infusion, or SPI, EdgeWater has created a lighter, more efficient, more environmentally sensitive power boat.

A paradise aboard creates an atmosphere that is ripe for a memory-making experience. The 370CC brings the perfect blend of family amenities without any difficulty, but pure luxury, and an interior cabin loaded with everything one would need for a family getaway.

From long runs offshore to nearby island hopping, the 370CC's ride carries poise and power with the backing horsepower of triple Yamaha engines.

We're proud to display EdgeWater boats in our showrooms - reach out today for more information or to take this model for a test drive.
