Description

EN
2023 Excel Volante 360 has just arrived at Morgan Marine and presents an excellent opportunity to own a nearly new boat in immaculate condition. Having only been used twice and with approximately 10 hours on the engine, this boat has been exceptionally well cared for and remains in superb order throughout. This well equipped package features custom Vevor 360 degree swivel twin seats for comfortable and flexible seating on the water, along with practical rod holders for fishing trips. The heavy duty retractable transom wheel makes launching and recovery easy, while the durable PVC tubes provide strength and reliability. Navigation and fish finding are taken care of by the Garmin Echomap fish finder and chart plotter, powered by a convenient 12v rechargeable battery. The boat is fitted with a Suzuki DF20 short shaft pull start outboard with tiller steering, complemented by an outboard extension tiller for improved control and comfort when underway. The package also includes a Lider Sun Way Galaxy non marking multi two wheel roller trailer, complete with jockey wheel, auto brake hand winch, hitch and trailer lock, making transport and launching straightforward and secure. Overall, this is a great boat that offers a fantastic combination of performance, practicality and value, ready to hit the water immediately. Contact Morgan Marine today for viewings!
