Description

Available in Store: Palm Beach

This new 2015 Novurania 360 DL features crème tubes with gray accents. Its spacious design accommodates up to six passengers, making it the perfect rigid hull inflatable tender for a demanding yacht. It is 11’9” in length with a 5’6” beam. The hull weighs just 425 lbs and is a C in the CE Boat Design Category. This is priced as boat only. For an additional price, several engine options are available, with a Yamaha F40 HP suggested.

The 360DL is packed with great standard features including a white console, a white non-skid deck, a white fiberglass hull, a full cushion package for ample seating, a steering system, an anchor storage compartment, port and starboard fiberglass steps, three lifting eyes, navigation light, a control panel, and an electrical bilge pump.

This pricing includes standard features. Please contact us with inquiries regarding engine options and upgrades. We will be happy to help!

***Priced as boat only. Engine not included**
