Beschreibung

EN
2004 Bombard Explorer 620 RIB has just arrived at Morgan Marine, powered by a reliable 2006 Honda BF90hp outboard with only approx 490 hours on the clock and complete with a two-wheel Indespension trailer. This versatile RIB is ideal for fun days on the water, family adventures, or club use. Carefully maintained and much loved by its current owner, it benefits from a full re-tube carried out in 2020, a copper-coated hull applied in 2021, and an engine that has been serviced annually. Renowned for its excellent sea-keeping abilities, the Explorer 620 offers an impressive balance of performance and economy, making it a superb choice for those seeking a larger RIB at an affordable price. Early viewing is highly recommended, and it's perfectly suited for Morgan Marine's park-and-ride services.

Cabin: N/A

Cockpit: 2 person reversible pilot seat with storage under + 2 person cushioned bench seat. Bow seating with cushion and anchor locker underneath. Console with hand rail, engine controls, gauges and storage.

Electronics: Standard horizon VHF radio. Compass. Navigation lights.

Machinery: 2006 Honda BF90hp Outboard engine with power trim and tilt.

Trailer: Indespension roller coaster trailer with jockey wheel, winch and hitch. NB - the road trailer may not be in serviceable road worthy condition. It is recommended the buyer should inspect and service accordingly prior to use on public roads.
