Description

EN

BWM 7.2m rib originally moulded by Porter Plastics. These boats are renowned for their solid construction and smooth, soft ride because of the deep vee hull. Powered by a 2017 Honda BF150 with only 202 hours. Hull length is useful for North sea and Solent chop. As a company BWM notated up a number of achievements including Guinness book of records title for circumnavigating the UK which it held for 10 years. This rib has been a very reliable run around for the current owner for the past 8 years. Early viewing is highly recommended.

Deck: GRP hull with blue tubes. Forward bow locker with storage. A frame. Grab handles on buoyancy tubes. Rubbing strake. Ski eye.

Cabin: N/A

Cockpit: 2 man bench seat console with backrest and storage underneath. 2x Jockey seats with backrest and storage. Console with storage compartment and engine controls.

Electronics: Garmin GPSMap 556s. Icom VHF radio. Switch panel. Bilge pump. Anchor light. Navigation lights. Engine gauges (Knots, RPM, Battery, Trim). Compass.

Machinery: Honda BF150 Outboard with power trim and tilt - Serviced in 2020. Hydraulic steering sea star.
