Standard Specification	Electrical Systems All 240v, 24v and 12v circuits (where applicable) protected by circuit breakers with main electrical load control panel Electrical sockets Heavy duty circuit breakers Isolating switches to all batteries Onan generator 7kVA 24 Volt: Batteries - 2 x 180Ah zero-maintenance 'AGM' for exclusive port engine starting Batteries - 2 x 180Ah zero-maintenance 'AGM' for exclusive starboard engine starting Batteries - 2 x 180Ah zero-maintenance 'AGM' for domestic services Circuit breaker 100amp for anchor winch Emergency battery coupling system permits each engine to start from opposite engine battery bank 240 Volt: Battery charger 50amp to domestic batteries with trickle charge to port and starboard engine-start batteries Polarity check and earth leakage protection system
Aft Cabin Access to en suite bathroom Bedside stowage Full length berths x 2 with sliding conversion to double Halogen ceiling lights Mirror Opening window to cockpit Reading lights Stainless steel opening porthole(s) with flyscreen Upholstered bedheads Wardrobe(s) Aft Cabin En Suite Bathroom: 220v/240v shaving point Automatic shower tray pump-out system Electric silent-flush freshwater toilet Extractor fan Vanity unit locker and basin with hot and cold pressurised water Full set of bathroom fittings Full standing height circular shower with solid teak gratings and rotating screen Mirror Random teak floor Stainless steel opening porthole(s) with flyscreen	
Cockpit 12v heavy duty weatherproof socket Access via transom deck to port and starboard side decks	

Power points throughout the boat (fed from shore power or generator)
Shore power supply

Engines And Sterngear

Aerodynamically designed engine air intakes
Automatic bilge pumps for forward bilge, engine bay and rudder bay with manual 'on' override
Automatic engine bay fire extinguisher system
Balanced rudders
Cathodic protection
Dripless shaft seals
Electric engine bay fan(s)
Electric trim tabs with cathodic protection
Engine bay lights
Engine room soundproofing
Exhaust overheat warning system
High capacity emergency manual bilge pump system with dedicated valves
Manganese bronze 'P' brackets
Manganese bronze propellers contra-rotating
Sea cocks on all inlets/outlets below waterline
Stainless steel alloy shafts
Water cooled engine exhausts with silencers and side outlets
Fuel System: Changeover valve system to permit each engine to draw fuel from, and return fuel to, either tank
Emergency fuel shut-off valves accessible via cable-operated remote control
High capacity water separators and fuel filters
Individual fillers and vents to port and starboard
Marine grade alloy fuel tanks x 2
Freshwater System: Automatic, pressurised supply
Calorifier hot water system
Water tank(s)

Galley

Crockery stowage
Electric ceramic/halogen hob
Extractor fan
Work surface with covers
Halogen ceiling lights
Integrated waste bin
Lacquered cupboard doors
Lockers (overhead)
Microwave oven
Refrigerator (172L)/freezer (46L) with double door
Random teak floor
Sink/drainage with hot and cold mixer tap
Stainless steel opening porthole(s) with flyscreen
Work surface lights

Helm Position

12v socket
Adjustable/tilt steering wheel
Bilge pump switches with integral operating warning lights and audible alarms
Bolstered helm seat(s)
Bowthruster controls
Chart stowage
Chart table and light
Controls for engine bay fire extinguisher system
Drinks holders
Echosounder and speedometer/distance log repeater(s) with sea water temperature read out
Electronic single-lever throttle and gear controls
Folding foot plinth
Fuel gauges
Full engine instrumentation including tachometers, oil pressure gauges, temperature gauges, battery condition indicators, audible alarms and engine hour meters
Helm position indicator
High speed magnetic compass
Hydraulic steering

Remote anchor winch controls
Searchlight controls
Trim tab controls
Twin helm seats
VHF radio telephone
Waterproof switches for navigation and riding lights, windscreen wipers and engine bay extractor fan(s)

Hullform And Construction

All gel coat and glass fi bre hand laid with unidirectional, biaxial and woven rovings
Bowthruster 8hp
Coloured hull top band
Deep V forward; 18deg deadrise aft
Designed by Bernard Olesinski and the Fairline design team
Full length moulded spray deflectors
Hull/deck join bolted and bonded
Integrally moulded engine bearers
Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat
The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation
The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings
The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle
Transverse and longitudinal strengthening stringers throughout hull

Main Saloon

Aerial and connections for television
Bar unit
CD/radio with 2 speakers in saloon and 2 waterproof speakers in cockpit
Cocktail table converts to dining table
Control panel for 12v/24v/240v domestic electrical circuits
Deck hatch with flyscreen and blind
Full-height standing headroom
Halogen ceiling lights
Handrail
LCD TV
Lockers (overhead)
Sliding door to cockpit with integral blind system
Sofa
Stainless steel opening porthole(s) with flyscreen
Stowage locker under floor

Master Cabin

Access to en suite bathroom
Bedside stowage
Drawer(s) under bed
Full-height standing headroom
Halogen ceiling lights
Hanging locker (full-height)
Large hatch with flyscreen and concealed blinds to foredeck
Mirror
Moulded stowage locker under hinged bedboard
Oversized double bed
Reading lights
Stainless steel opening porthole(s) with flyscreen
Upholstered bedhead
Wardrobe(s)

Master En Suite Bathroom

220v/240v shaving point
Automatic shower tray pump-out system
Electric silent-flush freshwater toilet
Extractor fan
Vanity unit locker and basin
with hot and cold pressurised water

Full set of bathroom fittings
Full standing height circular shower with solid teak gratings and rotating screen
Halogen ceiling lights
Mirror
Random teak floor
Stainless steel opening porthole(s) with flyscreen
