Highfield CL 310 with Suzuki DF15 AES Outboard with tiller steering and a package deal with capacity of 5+1 with Bow locker and self-draining deck. This boat is perfect for days out on the water with family and friends. The high quality finish of the Highfield CL310 and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family. The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities, the Classic range really does offer a tender for everyone.
