Beschreibung

EN

The Holton 24 is a very popular vessel with inshore fisherman, the wide beam and deep bilges maximises the boats load carrying capacity and provides enhanced stability along with a fine entry and excellent displacement. With its self-draining decks and excellent working areas plus a high sheer line make the Holton 24 the perfect work boat. Powered by a Volvo Penta MD22 four-cylinder diesel engine just in at Morgan Marine. With a good array of electronics including Garmin GPS Map 750, Garmin Echomap 550c, Raymarine Autopilot, Raymarine C70 plotter and Garmin VHF radio. For more information and viewing please give us a call.

Deck: Large deck area with deep gunwales. Recently repainted. Bow roller. Handrails. Pulpit. Steering wheel on deck.

Cabin: Storage underneath console. No berths.

Cockpit: Enclosed sliding door wheelhouse with bench style pilot seating with steering wheel.

Electronics: Garmin GPS Map 750. Garmin Echomap 550c. Raymarine Autopilot. Raymarine C70 plotter. Garmin VHF radio. Simrad VHF radio. Nav light. Anchor light. Deck light. 12v battery. Bilge pump.

Machinery: Volvo Penta MD22 four-cylinder diesel engine. Lift up lid to access engine.
