Beschreibung

Boat location: The Netherlands / inside GrandYachts showroom

EU-VAT-PAID

This **Linssen Grand Sturdy 470 AC MKII** is best described as a true high quality passage maker. This **first owner** from new **MKII stabilised version** was built to an extreme level of quality that only the renowned Linssen shipyard can produce.

Unlike the offered competition this Grand Sturdy is equipped with the **full hydraulics package** for bow-thruster, stern-thruster, anchor winch and of course her stabilizers.

Powered by two nearly indestructible Vetus Deutz DTA44 marine diesel engines this quality yacht offers power under all circumstances. The 140hp engines are chosen for their lifespan and the ability of delivering full hydraulic power at idle.

The yacht sleeps 4 in two double full beam staterooms, both with ensuite central heated bathrooms with separated shower rooms, wash basins and toilets. The dinette can provide another double berth when needed.

There is not a scratch to be found in her entire interior and if I would tell you the yacht was just delivered by Linssen you would believe me...

Not only the engines are just fully serviced, but also the generator, the airco system and the entire rest of this stunning vessel. Comes in 100% serviced and working conditions.

She just is in an absolute gorgeous condition! Comes fully loaded with factory options for a very exceptional price.

Main features

- Hydraulic Stabilizers
- Hydraulic Bow thruster
- Hydraulic Stern thruster
- Hydraulic anchor winch (+100 metres of chain)
- Hydraulic stainless gangway with remote
- Hydraulic dinghy lift
- Airconditioning
- Heating
