Description

EN

The Nimbus Tender 9 blends sleek style with practical features. Its white hull and tomato logo complement the warm Nordic oak interior, while tomato-red outdoor cushions and eco-teak decking provide comfort and elegance. The foredeck includes an extended sunbed, railing cushions, and a silver-grey enclosed T-top canopy. Functional extras include a water-ski pylon, sturdy roof racks, and a full mooring package with quality lines, fenders, and a spare anchor. Inside, the cabin features a cosy mid-sofa, wet bar with cold water, and a portable Weber gas grill for easy cooking. Extra portlights and Nimbus pillows add comfort and brightness. At the helm, navigation and communication rely on Simrad NSX 12” plotters, xSonic SS60 sonar, and RS40 VHF with AIS. The electrical system includes shore power with 230V outlets, LED T-top lighting, Nimbus Connect, and a Clarion HiFi stereo with cockpit speakers. Powered by a Mercury Verado V8-300 XXL engine, the Tender 9 offers smooth handling with Active Trim, VesselView 403, Quick bow thruster, Zipwake trim control, and Quick bow windlass. The Webasto heater and defroster keep the cabin comfortable in cooler weather. This 2026 model Nimbus Tender 9 is on order with the factory but changes can still be made to the specification - call us to find out about our offers. Note - library photos may not reflect specification of boat.

Cabin: The cabin features a comfortable mid-sofa and a well-equipped wet bar with cold water, a cushion, and a portable Weber Go-Anywhere gas grill kit (LPG) for effortless outdoor cooking. Additional portlights brighten the cabin, while the Nimbus pillow set adds extra comfort for relaxing onboard.

Cockpit: At the helm, the Tender 9 is fitted with a Simrad NSX 12” plotter for intuitive navigation, supported by the Simrad xSonic SS60 thru-hull sonar transducer for accurate depth and fish finding. A Simrad RS40 VHF radio with AIS receiver and antenna ensures reliable communication and vessel tracking.

Electronics: The Tender 9 is equipped with a Chargemaster 12/25A shore power system, complete with a 25m cable and dual 230v outlets for convenient onboard power. An LED headlight on the T-top enhances visibility, while Nimbus Connect keeps you in control remotely. Entertainment comes via the basic Clarion hifi package, featuring a CMM30 stereo and two CMS651 speakers in the cockpit. Navigation and communication are powered by Simrad electronics, including a 12” NSX plotter, xSonic SS60 sonar, and RS40 VHF with AIS.

Machinery: Powered by a Cold Fusion White Mercury Verado V8-300 XXL, the Tender 9 delivers smooth, responsive performance with integrated Active Trim and VesselView 403 monitoring. Manoeuvrability is enhanced by a Quick bow thruster and Zipwake dynamic trim control system (450mm). A Quick bow windlass ensures easy anchoring, while the Webasto AT3900 heater and defroster system with an 11.5L diesel tank keeps things comfortable in cooler conditions. Fuel capacity: 417L. Fresh water capacity: 56L. CE Category B4 / C8.
